Discover Your Mission
Session 3

1. Does everyone have a life purpose/mission? Are there multiple life purposes? Disbelief and lack of awareness can block us from finding our life purpose.

2. Your life purpose and mission is your highest excitement. It's okay to just have one highest excitement but you may have many.

3. What do you love to do? What are you good at? What can you be paid for? What does the world need from you? What changes do I want to see in the world

4. Finding your purpose will take time. Try new things.

5. Journalling can help you discover your calling!
